- Almond and chocolate, a pairing made in heaven! Few pairings work as well as almond and chocolate. And when the nuts are in delicate slivers and roasted to perfection, the mix is all the more delicious. Pair it with a fine wine or aromatic Darjeeling tea, and make it an elegant affair of good taste.

- When slivers of delicate roasted almond meet chocolate, the result is sensational. Our SMOOR heroes available in dark and milk chocolate. It's easy to drown in the delicious depths of good chocolate. And when finely roasted almonds add their exquisite nutty edge to it, the result is beyond satisfying. SMOOR's Almond Sensation Box comes with 16 pieces of carefully handcrafted chocolates choc-a-bloc with roasted almond slivers – an epicurean delight!
- This versatile nut goes superbly with both milk and dark chocolate, and so this stylish chocolate selection box has 8 milk and 8 dark chocolates – the answer to all your sweet cravings.
- Almond chocolates sit high up on the global list of best artisanal chocolates. So much so that there is even a National Chocolate with Almond Day celebrated on July 8 every year in some parts of the world! Desserts of all kinds are whipped up using these two favoured ingredients - from chocolates to cakes to puddings and cookies. While the day may not be officially recognised, we can make any day of the year as special for our loved ones – gift them an almond chocolate box from SMOOR!
