Power Source	DC
Light Source Type	LEDs

About this item

- VIEW EVERY DETAIL - High quality LED lumens provides even illumination across the clear white robust acrylic sheet to make tracing easy!
- SUPERIOR BUILD QUALITY - XECH X-Board PRO uses special type of Flicker Free LEDs. We also added a special eye protector film that provides an anti-dazzling effect to reduce the

glare from the light.

- **3 LEVELS OF ADJUSTABLE BRIGHTNESS** - XECH X-Board comes with 3 levels of adjustable brightness. This makes it easy to trace just about anything, especially for those who are learning to draw.
 - **ANTI-DAZZLING** - X-Board has been built with a clear acrylic sheet with a high flexural modulus score. The sheet is embedded with an anti-dazzling coat which reduces glare on the eyes.
 - **THOUGHTFULLY DESIGNED JUST FOR YOU** - Designed especially for artists of all ages, the XECH X-Board PRO is perfect for drawing and sketching.
-
