### Product Description

Boldfit Hand Grip Strengthener with Foam Handle, Hand Gripper for Men & Women for Gym Workout Hand Exercise Equipment to Use in Home for Forearm Exercise, Finger Exercise Power

Gripper Red-Black

## About this item

- **COMFORTABLE RESISTANCE** : Hand gripper is easy to adjust as needs. The hand Gripper is suitable for everyone, like Athletes, sports, fitness coaches, fitness, musicians and people who want to exercise their hand, wrist and fingers. Also its easy and fast to do so. The resistance of hand grips for strength training is perfect for both men and women with different strength as it can be adjusted easily.
- **FOAM HANDLE** : Arm exercise equipment men is comfortable to hold and made from foam material. Boldfit gym hand grip holds your hands to keep from slipping during the workout exercise, and protects your hands from pain. You can feel the hand grip sticks on you hands. The size of the gripper is optimized for the general handle length of hand grips, so it's available to wrap and use onto all types of hand grips. Hence it will give you extra grip and comfort while exercise.
- **FOREARM & FINGER EXERCISE EQUIPMENT** : Boldfit hand grip strengthener is useful in forearm/wrist workout as well as in finger exercise. To gain a good grip strength, you should do hand grip workout with a low resistance on a regular basis. Perfect for improving power and flexibility of forearm, wrists, fingers, hand ,and muscle building. Excellent for recovery of hand injury.
- **DURABLE** : Quality material used in boldfit handgrip exerciser e.g. spring made from high quality staleness steel, quality non- slip material used on handles. The grip strengthener, made of the latest upgraded material, has a longer handle than others, which is more convenient for you to hold; in addition, the handle material is strong and durable, which perfectly avoids the problem of the handle breaking during exercise! Overall its "made for bold" for last long.
- **GYM AND HOME USE** : Boldfit hand grip for gym is suitable in gym and home use as well as for men and women, it is easy to use and easy to handle is well. Exercise anywhere, anytime you want; you can use in your home, office, car, fitness club, and even in a library. Completely silent operation allows you to strengthen your hand grip and exercise your forearms and wrist without detection. You don't need to carry various kinds of hand grip,

only one hand grip strengthener you need.
