About this item

- **DESIGN** : The Iceberg mug has been designed to bring those days back with its elegant yet modern design. The rectangular sectional design prevents the mugs from sticking together when stacked.
- **DURABILITY**: Our mugs have been engineered to withstand cracks, scratches and leaks. The premium material feels and looks like glass but is far more durable than any other glass or plastic drinkware out there
- **INNOVATIVE** : The base of the Iceberg is further strengthened with the clever grip-pad suction technology which reduces spillage occurrences as the cup will not tip over even if you accidentally knock into it. Lift up straight like any other cup and it will detach itself easily and quickly without any effort.
- **QUALITY** : Be assured of safety in every sip of your favorite drink, hot or cold with our BPA free & non- toxic cups. These premium grade tritan plastic cups won't rust, retain or transfer flavors
- **MULTI-PURPOSE** - The material allows it to served for both hot n cold beverages. Use them as water, beer and whiskey glasses as well as for your evening coffee or tea. Perfect as drinking glasses which you don't want to fall while you might. Great for gifts as well.
