**Microphone Type** Built-in

**IN THE BOX & WARRANTY**

**Warranty** 1 Year

**PRODUCT TYPE**

**Product Type** True Wireless

**Key Product Features**

Feature	Description & Benefit
<b>True Wireless Ear Buds</b>	Fully wireless design provides ultimate freedom of movement, with no cables connecting the earbuds or to your device.
<b>Secure Fit</b>	Ergonomically designed ear tips ensure a snug, comfortable fit for extended listening sessions, making them ideal for workouts or long commutes.
<b>Upto 20 Hrs of Playtime</b>	Offers excellent battery endurance: typically <b>5 hours of playback</b> from the earbuds themselves, plus an additional <b>15 hours</b> from the charging case, giving you a total of 20 hours of combined power.
<b>Dual EQ: Normal Mode, Deep Bass Mode</b>	This is a key audio feature that allows you to instantly switch between two distinct sound profiles: <b>Normal Mode</b> for balanced listening, and <b>Deep Bass Mode</b> to amplify the low-end frequencies for a more thumping, energetic sound.
<b>IPX4 Splashproof</b>	The earbuds are protected against sweat and light splashes of water (like rain or accidental spills), making them perfect for gym sessions, jogging, and outdoor activities.
<b>Full System Touch Control</b>	Intuitive touch sensors on the earbuds allow you to manage music (play/pause, skip track), answer calls, and activate your voice assistant without reaching for your phone. (this will be added by vendor)
<b>Bluetooth v5.0</b>	Provides a seamless, stable, and quick wireless connection with low latency and improved power efficiency compared to older Bluetooth versions.
<b>Black Color</b>	A classic, sleek, and universal color that fits any style.
