Product Description

Fabindia White Cotton Slim Fit Shirt
Lightweight yet durable, simple yet stylish, casual yet polished, this button-down shirt has it all. It is made from soft cotton fabric and has a fold over collar, full-length sleeves, a curved hem, and a patch pocket. You can wear it to the office, to a date night, or to hang with friends over a pair of straight-fit trousers and lace up shoes.

Craft Details

Bandhani, an ancient Indian method of tie-dye, derives its name from the word ‘bandhan’ which means to tie up. Tied and dyed in stages, Bandhani is characterized by the number of knots on a fabric. When unfurled, this results in an inspiring variety of patterns and a riot of

colours. This craft is practised in Rajasthan and Gujarat.

Fabindia Maroon Cotton Ajrakh Printed Long Kurta
Maroon Cotton Ajrakh Printed Long Kurta

Craft Details

A unique resist printing technique, Ajrakh uses natural dyes to create intricate patterns with multiple overlays of colour. Considered to be one of the most demanding hand block-print techniques in the world, the traditional colours found in this thirteen step process include jewel tones of red, indigo, black and white. This craft has its roots in Kutch, Barmer and Sindh.

Elevate your style with our men's bomber jacket. Crafted from premium cotton silk, this jacket features a distinctive band collar, full sleeves, and sophisticated quilting pattern. Combining comfort with a sleek design, it's the perfect blend of fashion and functionality for any occasion.

Craft Details

The seemingly simple technique of interlacing threads on a handloom has resulted in a richness and diversity of woven textiles in India, which few other societies can match. Generations of skilled weavers have produced fabrics using a variety of hand-operated looms and varied

combinations and permutations of the weft and warp threads. Each of these fabrics possesses a characteristic.
