Chef Sanjeev Kapoor | Black

About this item

- **PERFORMANCE WITH STYLE & 50% EXTRA POWER:** Nutri-blend is India's best-selling mixer-grinder-blender thanks to its powerful motor, beautiful looks, unbreakable transparent jars and awesome performance. And now with Nutri-blend BOLT, you have 50% extra power, 600W large sized motor and even better results. Due to its compact frame, the power to weight ratio is so favorable that it delivers a performance equivalent to a normal mixer-grinder of 1000W.
- **ALL IN ONE:** Like Nutri-blend, the NB-BOLT is also a complete system – start with 2 jars, and keep adding the large mixing jar, the chopper, juicer & food processor attachments as your needs evolve. The jars and attachments in BOLT are the same as normal Nutri-blend, so you can easily upgrade from one to another. All are available on our website. It also has a special sipper lid that can be attached to jar, so make your smoothie / shakes in the jar and carry it along.
- **SPECIALISED FUNCTIONS:** Grind everything within 30 seconds in the Tall Jar (500ml) that comes with 4-wing blade for mixing-blending and the Short Jar (300ml) with 2-wing flat blade for grinding to make all kinds of chutneys, shakes, smoothies and masalas. The speed-breakers inside the jars ensure proper grinding of the hardest spices and ensures smoother chutneys than any other grinder.
- **SUPER SHARP STAINLESS STEEL BLADES:** The surgical grade steel blades grind hardest ingredients and yet stay sharp. They extract immunity enhancing anti-oxidants, pain relieving Omega 3s, proteins, vitamins & minerals from your foods. Cleaning is super-easy because the blades are right on top when you unscrew the jar-base, unlike in normal mixers where the blades are at the bottom of the jar.
- **2 YEAR WARRANTY & AFTER SALES SERVICE:** Reliable Wonderchef warranty with the best after sales service in 12,000 pin codes across India. Buy Spares & Accessories on Amazon.
