## Product Description

### Description

- Denim beanbag is one of the top-rated beanbags available with Bear Teddy. The shape of this is teardrop. This is made of denim material and is double stitched in such a way to give more strength. The blue denim can give a premium feel to your comfort space. We have this in one color. Denims are perfect for all seasons. This one is best when comes to durability test also.
- You will get few size options as well while opting for a denim teardrop shape product. The size that you choose matters a lot when comes to beanbags. The bigger the size, the more comfortable you will get.

- Sizes Available – XL XXL XXXL Jumbo King

### Monster

- The Bean filling compartment is well sealed using velcro and zip to make sure the beans don't spill out of it. You can easily fill this beanbag with the help of one more person. The beans that we use are specially made for this purpose only. Beans will undergo a process where the water content in them will be gone. This will give the product more durability.

For any assistance, you can reach our team through a live chat box. They will help you in choosing the right one.

- Bear Teddy is a brand fully focused on manufacturing different variety of lazy seats such as Beanbags, Easy Chairs, Recliners, Hammocks, etc. Each product is made with almost care to maintain the quality. The quality check team makes sure each one of the products has passed the quality check test.
- All products are double stitched in each part for more durability. Bear Teddy does have beanbags in various shapes, sizes, colors, and in various materials. Each type has gone through a quality test to make sure it's perfect.
- We have chairs of various kinds. Such as, Gamer Lounger Rester Teardrop Mudda Arm Chair

Each of these has different features. Bear Teddy has Cotton, Denims, Art Leather and Fur material available. Each material is chosen after n number of trials/tests to check the quality of the product.

- The threads used in each of these types are different. The stitch is so strong that it won't get damaged easily. Each part of the product is double stitched very carefully to make it last longer. The smooth denim material gives you a nice feel which will make you sit for a long. You will get few size options as well.
- If you are someone who gives more priority to comfort other than anything, then we would tell you to choose a bigger beanbag. It can give a different look to your lounge area which you will love it. The bigger teardrop shape beanbags can give you more knee support. Each product goes through various tests to check its durability. The quality team will make sure each one is perfectly stitched and in the right shape.
