Special Feature	Sleep Monitor, Distance Tracker, Calorie Tracker

About this item

- **Display:** The Pebble Dart comes with a 1.28" round high-definition (HD) display that offers clear and sharp visuals. It has a resolution of 240x240 pixels and is protected by a layer of Corning Gorilla Glass for added durability.
- **Design:** The smartwatch has a sleek and minimalist design with a premium finish. It is available in two color options: Silver and Black.
- **Bluetooth Calling:** The Pebble Dart allows you to make and receive calls directly from your wrist. It is equipped with Bluetooth 5.0 technology that ensures a stable and fast connection.

- **Voice Assistance:** The smartwatch has a built-in voice assistant that allows you to perform various tasks without touching your phone. You can use voice commands to make calls, send messages, set reminders, and more.
 - **Sleep Monitor:** The Pebble Dart comes with a sleep-tracking feature that monitors your sleep patterns and provides you with insights into your sleep quality. It tracks your REM, deep, and light sleep stages and gives you a detailed analysis of your sleep data.
 - **Alarm & Notification:** The smartwatch allows you to set alarms and receive notifications for calls, messages, emails, and other apps. You can customize the notifications as per your preferences.
 - **Fitness Tracking:** The Pebble Dart comes with a range of fitness-tracking features that help you stay active and healthy. It tracks your steps, distance, calories burned, and more. It also has a sedentary reminder that reminds you to move when you have been sitting for too long.
 - **Battery Life:** The smartwatch has a long battery life of up to 5 days on a single charge. It has a magnetic charging cable that makes it easy to charge the device.
 - **Compatibility:** The Pebble Dart is compatible with both iOS and Android devices. You can download the Pebble app from the App Store or Google Play Store to connect your smartwatch to your smartphone.
