Product Description

Wangari Aspen Mini 5000mAh Power bank

The power bank has a capacity of 5,000mAh, allowing you to charge your devices multiple times before needing to recharge the power bank itself. • The power bank has multiple USB ports, enabling you to charge multiple devices simultaneously. These ports include USB-A or USB-C connectors, catering to different types of devices and charging cables. • The power bank includes LED indicators to display the remaining battery capacity. This allows you to easily check the power bank's charge level and plan accordingly. • The power bank is compatible with a wide range of devices, including smartphones, tablets, Bluetooth headphones, smartwatches, and more. It also supports both iOS and Android devices, ensuring versatility and convenience for users with various gadgets. • It has a user-friendly design with a power button and easy-to-

access ports, providing a hassle-free charging experience.
