### Product Description

Wangari Willow 15W Wireless Charger With Cup Warmer

- **Wireless Charging:** The charger supports wireless charging technology, such as Qi, allowing you to charge compatible devices by simply placing them on the charging pad.
- **Cup Warmer:** The device features a built-in cup warmer on its surface. The cup warmer utilizes a heating element or conductive technology to gently warm the base of your cup, keeping your coffee, tea, or other beverages at a warm and enjoyable temperature. This feature is perfect for those who often find themselves immersed in work or leisure activities and want to savor their hot drink for an extended period.

- Eco-Friendly Materials: If sustainability is a concern, you can opt for a product made from eco-friendly and responsibly sourced materials. Bamboo, as the primary material, adds a touch of natural elegance and aligns with environmentally conscious choices.
- 1X Wireless charge 15W
