Product Description

Wangari Cypress 6 in 1 Multifunction Wireless Charging Junction

- The 6 in 1 Multifunction <u>Wireless</u> Junction is a versatile and innovative accessory designed to cater to various needs in one compact device.
- Wireless Charging: This enables you to charge compatible smartphones without the hassle of cables. Simply place your Qi-enabled phone on the designated charging area, and it will start charging wirelessly.
- Earbuds Charging: It also provides a specific charging spot for your wireless earpads. You can effortlessly charge your wireless earbuds or headphones without worrying about cords or searching for separate charging cases.
- Watch Charging: The junction includes a dedicated charging dock for smartwatches, such as Apple Watch or other compatible models. You can easily charge your watch while having it displayed for easy access.
