## Product Description

PORTRONICS K2 Mechanical GAMING KEY BOARD

- **Mechanical Gaming Keyboard:** Dominate your opponents easily with Portronics K2, a [mechanical keyboard](#) designed especially for gamers. This high-performance keyboard is

what you need to enhance your gaming setup.

- **Red Linear Switches:** Optimal for rapid response times, our red linear switches provide quick and smooth keystrokes. They offer a balance between tactile feedback and quiet operation, ideal for both gaming and everyday typing needs.
- **50 Million Keystrokes:** Built to last long, this [keyboard](#) can last up to 50 million keystrokes for extended gaming & typing use. You don't need to worry about your keyboard dying out in the middle of an intense gaming battle.
- **Dynamic Lighting Effects:** Add a touch of flair to your PC setup with RGB lighting effects & multi-coloured keys. The keyboard has 20+ lighting effects, you can also create customized lighting effects for a personalized experience.
- **Full-Sized Backlit Keyboard:** With a full-sized 104-key layout, our keyboard ensures efficient multitasking & quick access to complex key combinations. The backlights add a cool aesthetic and also help during low-light environments.
- **5m Long Cable:** The wired keyboard comes attached with a 1.5m plug-and-play cable for connecting to your laptop or PC. The cable's long length offers flexibility, allowing you to position your keyboard wherever you're most comfortable.
- **Ergonomic Comfort:** This gaming keyboard features elevated kickstands that provide ergonomic elevation, enhancing comfort during prolonged gaming or typing sessions. Experience ease and boost productivity with natural wrist positioning.
- **Anti-Ghosting Keys:** Enjoy flawless gaming precision with anti-ghosting keys. Press multiple keys simultaneously, and every command registers accurately, and dominate your gameplay easily. No need to worry about missed commands anymore.
- **12-months Warranty**
