Product Description

PORTRONICS MOGUN 3 MOBILE HOLDER

- **Powerful Magnetic Car Phone Holder:** The Portronics Mogun 3 is a [magnetic phone holder for cars](#). The powerful magnet keeps your phone in place with a secure and stable grip even on rough roads.
- **Perfect for Navigation:** The secure magnetic grip on your phone makes it easy for one-hand operation. The unobstructed screen access allows you to access maps for navigation and other apps while driving.
- **Versatile 360-Degree Rotation:** Enjoy multi-angle support with its 360-degree rotation feature, allowing you to keep your phone at any angle while driving. It is a must-have part of car accessories.
- **Easy to Install:** The car phone holder's user-friendly adhesive bottom makes it easy to install on your car's dashboard and windshield. It is compatible with most surfaces, so as to allow convenient installation.
- **One-Touch Mounting:** With the one-touch lock feature, your mobile phone effortlessly aligns with the magnet, providing secure mounting. It is a quick and convenient solution while you are

driving.

- **Wide Compatibility:** This [magnetic mobile holder for cars](#) is seamlessly compatible with MagSafe-compatible iPhone models and has a metal ring included in the box to be placed between the case cover and smartphone for other models.
- **Warranty:** 12 Months
