Product Description

PORTRONICS Freedom One15W Wireless Charger with 1m Type C Cable

- **15W Wireless Rapid Charging:** Charge your devices with Portronics Freedom 15 Plus powerful 15W wireless output which also works as a [phone stand](#). Fast and efficient, it's also compatible with 10W, 7.5W, and 5W for your phones.
- **Flexible Charging Options:** Whether your phone is placed vertically or horizontally, the charger's smart dual coil design, ensures a seamless charging experience, regardless of the angle.
- **Broad Compatibility:** Rapidly charges your devices in just 45 minutes. Compatible with the iPhone series (12 and above) as well as other Qi-enabled devices, this charger is ready to power up your devices.
- **Sturdy Aluminium Build:** Crafted from durable aluminum alloy, the Freedom 15 Plus is built to last. Its stylish and sturdy construction ensures a reliable [wireless charging](#) experience every time.
- **Non-Slip Silicone Design:** No need to worry about accidental slips or falls anymore. Thanks to the non-slip silicone chiseled design, which ensures that your phone stays securely in place while charging.

- **Weight just under 120 gms:** Compact and lightweight at just 120 grams, Freedom 15 Plus is ultra-portable, making it the ideal travel companion.
- **1m Durable Cable Length:** Get a 1m [Type C cable](#) which is to be plugged into the stand, to charge your phone. The cable ensures a reliable power supply, keeping your device charged up without any hassle.
- **Warranty** - 12 Months (1 Year)
