Product Description

Sharp weather station clock with backlight

The Sharp weather station clock with backlight is a perfect tabletop corporate gift that can be given to your esteemed customers and employees. It is an elegant clock that gives accurate weather reports with the humidity and temperature of a location. The visuals of sunny, cloudy, or rainy days are also seen on the clock. The minimum/maximum temperature of the place is also shown on the clock. The temperature can be seen in Celsius or Fahrenheit. The display of the clock is both LCD with backlight as well as see-thru. You can print the logo or any other branding material to brand the company.
