### **Product Description**

Boldfit Natural Rubber Resistance Bands for Workout Dual Color Heavy Resistance Band for Stretching, Pull ups, Home Exercise Resistance Band - Blue (5-10kg Resistance)

## About this item

- **Safe and Durable Material:** The exercise bands are made of environmentally friendly latex material, tear-resistant, stretchy, and durable. The greater the pull value, the greater the resistance you will feel. You can train without worrying about tearing or wear. Our resistance bands for workout for women can maintain its elasticity even after repeated stretching.
- **Wide range of use:** These gym bands for men workout can improve your strength and freedom of movement in all major muscle groups. Perfect for yoga training, stretching, strength training, and flexibility exercises that can have positive effects on health. Exercise your arms, back, legs and buttocks at the same time with a gym rubber band that is perfect for body resistance training and physiotherapy to strengthen torn ligaments or muscles.
- **Home Gym Band:** Stretching bands exercise assistance bands can expand your home gym, it helps you do exercise at home. Stretch band can be used in many different ways. For pull-ups, yoga, Pilates, stretching, powerlifting and even adding resistance to squats. It's also a great way to add resistance for dumbbells and barbells.
- **Perfect For Every Fitness Level:** Resistance against stretch-band offers better support and more opportunities to train body. A resistance band set can fully meet your training needs whether you are a beginner or an expert, man or woman. Improve your body so easily with a fitness band.
- **Various Choices:** Rubber band for exercise- assistance bands contain 5 different exercise bands: Blue (5 to 10 Kgs), Red (7 to 15 Kgs), Yellow (15 to 30 Kgs), Orange (30 to 45 Kgs), Green (40 to 60 Kgs). Why five fitness bands instead of one? As you get stronger, you need to increase resistance to adapt to your new strength. Combine the fitness band set to get the most effective strength training.
