### **Product Description**

Boldfit Wrist Supporter for Gym Wrist Band for Men Gym & Women with Thumb Loop Straps - Wrist Wrap Gym Acc

nd Grip & Wrist Support Sports Straps for Gym,

Weightlifting - (Red)

- **Perfect Accessory for Training:** Whether you're just getting into working out or are a seasoned weight lifter these gym band are for you, wrap them around as tight or loose as needed for your desired level of restriction without cutting of circulation or causing pain from stiff, rough edges. Our gym hand grip are perfect for strength training, powerlifting, bodybuilding, cross training or specific exercises like bench press, shoulder press, clean and jerk, and other push movements.
- **Strong Protection Wrap:** Gym straps adjustable design allows it to contour to the unique shape of your wrists, strong support and comfortable. With gentle compression, this wrist brace can strongly protect and stabilize your wrist in working out. Without excess belt or band, it's super easy to wear and fits either left hand or right hand and it's suitable for kids & adult, men & women.
- **Train Harder & Lift More:** These wrist band for women protectors are made of high quality cotton and elastic that will contour around your wrists, securing them in a neutral position, improving your form. Our hand grip for gym proprietary elastic will provide unparalleled levels of support to immobilize your wrist as needed .This will significantly reduce tension on your wrist joints allowing you to feel more confident, so you can train harder & execute more efficiently.
- **Quality Material & Fine Stitching:** Lightweight and breathable polyester material keeps the discomfort at bay caused by sweating during exercise, together with reinforced fine stitching, it is also machine washable. The strong thumb loops keep the wrist strap in place so you can fully concentrate on your workouts instead of worrying if the wrist straps will come off. This wrist wrap for gym is highly elastic, and non-odor, high sweat uptake fiber helps to keep skin dry and breathable.
- **Reach Your Goal Faster:** These gym wrist support for men will help take pressure off your wrist and redirect it to your targeted muscles, allowing you to focus on your workout & maximize your performance at the gym. As a result, this will ultimately lead to noticeable gains in a shorter period of time. Designed for athletics, basketball, volleyball, tennis, jumper, cycling, squatting, weightlifting etc. At the same time, applies to editing job on the computer for a long time, working, driving, carrying and so on.
